

FROM THE PRESIDENT

Welcome to Legends Newsletter

This year 2022, we started with Covid restrictions until April but once everything opened up we got back into full swing. We are confident to end our year on a high note.

We enjoyed many of our usual theme nights and a few firsts as well.

April Fools night, Xmas in July, Victor Harbour Dance and Breakfast – a first for us, Halloween and Xmas Dinner Dance, another first and a great success.

December brought us together with Aaron Mansfield and once again a first time for Legends doing a Tribute Show and our Xmas Show. This year rounding off with New Year’s Eve celebration.

2023 will commence on Saturday 7th January with our 15th Birthday Dance and introducing a new band Chevy Tones. Other events to watch out for are in July with an interstate band and bringing back one of our favourites Virgara picnic in November. Planning is underway for this 3 day charity event.

Special thanks to all the bands who have played for Legends. Where would we be without you?

I would like to take this opportunity to sincerely thank our DJ Ron and all the committee and to everyone (too many to mention), who have helped in one way or another. To the club members and friends who have supported Legends over the years, thank you.

Wishing you all a very Merry Christmas and safe and Happy New Year.

Looking forward to seeing you all for an exciting 2023.

LEGENDS SOCIAL CORNER

Thank you to all the members and friends of the Legends Rock and Roll Club for their support on our first Xmas Dinner Dance for the Club.

It certainly had a party vibe from start to finish with band "Party Crashers" strutting their stuff and of course our one and only DJ Ron.

The atmosphere was electric.

A big heartfelt thankyou to Philomena and staff of the Casa dAbruzzo Molite Club for their wonderful service and hospitality.

Bev and Social Committee.
