New Year's Eve

FROM THE PRESIDENT

Welcome and Happy New Year to you all. Happy to say, in conjunction with DJ Ron, 2022 ended on a high with New Year's Celebration. Many thanks must go to DJ Ron and Julie Adamic for making the night what it was. There's a lot of planning to make these nights a great success. To everyone who helped in anyway, Thank you.

2023 started with Legends 15th Birthday Dance on 7th January with the new band for us, The Chevy Tones, and a DJ Ron. Wow, what a brilliant night. The music kept people dancing all night long. To see so many enjoying themselves, dancing, or chatting away making new friends during the night, is what we like to see being the club we are. To receive the wonderful comments as they were leaving at end of the night, makes all the hard work, worth it.

Special thanks must go out to Legends committee member, Shirley Dodd for making all the cakes on the night. Great effort. To the helpers on the night, setting up, decorating hall, Thank you.

To the committee past and present, Thank You all.
