## FROM THE PRESIDENT

May has been full of highs and lows. Many legends members and friends attended the Waikerie festival. Our demo team were invited to take part on the Saturday morning. Well done to you all even though the weather was cool. Everyone had a great time.

Unfortunately only a few days later, the rock 'n' roll community was shocked with disbelief at the news of DJ Ron's passing. Such a passionate and dedicated man gone too soon, how things can change so unexpectedly in just a split second. As Ron often said "we have to keep moving forward" and that's what we, the Legends will do, Keep the music and dancing going. Rest in peace Ron, what you have brought to the Rockroll community will live on. Our sincere condolences go out to Julie and the family.

Legends took part in the Kernewek Lowender at Kadina on Sunday 21st May. The demo team once again took to the dance floor for most of the day. Well done to you all. Thankyou to Coupe DeVille for playing on the Saturday night and also on Sunday.

We at Legends Rock and Roll Club, will continue with bands and music during the breaks so come along and enjoy yourself. Remember to check the notice board, Facebook and our website for upcoming club nights or just ring 0458095746 for more information.

# DJ Ron

*Ron earned the love and following of all the Rock and Roll Community with his eagerness to play everyone's favorite song. Ron knew all who entered every room and would ensure he played their favourite song or dance on the night.*

*He acknowledged everyone and would have a wicked smile when he saw them enjoying the music he played—there was nothing more satisfying to him.*

*Pam Hellings*

*I can remember when Ron started playing his music with Legends 10 years ago. He said he wanted to give it ago as he had a passion for music. Well, we all know the answer to that. As time went by week by week his love for what he was doing, and his confidence was showing as he could see the dancefloor full each week.*

*Ann Sharkey*

## *Tribute to Ron*

*If you don't have a partner  
Your friends were busy too  
And you knew you wouldn't find someone  
To Rock and Roll with you*

*It didn't really matter  
When a man was not in sight  
If DJ Ron  
Would be there that night*

*You checked out the gig guide  
And the band was not your style  
You wondered if their music  
Would make it worth while*

*But it didn't really matter  
If the band was not quite right  
If DJ Ron  
Would be there that night*

*If you were lonely  
Or bored  
Or feeling not too bright  
Or feeling great!  
Let's celebrate  
And dance with all our might*

*Ron's special blend of music  
Would always be just right  
And you'd be so very happy  
Ron was DJ that night*

*RIP Ron  
We will miss you*

*Pam Michaels*
