## FROM THE PRESIDENT

The song says “how time slips away”, certainly does. Can’t believe how the months are flying by. We at Legends have had some great club nights and to see so many members and friends come along and support your club. Thank you.

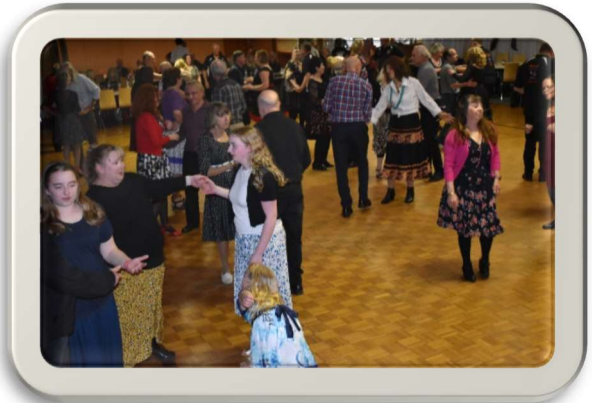

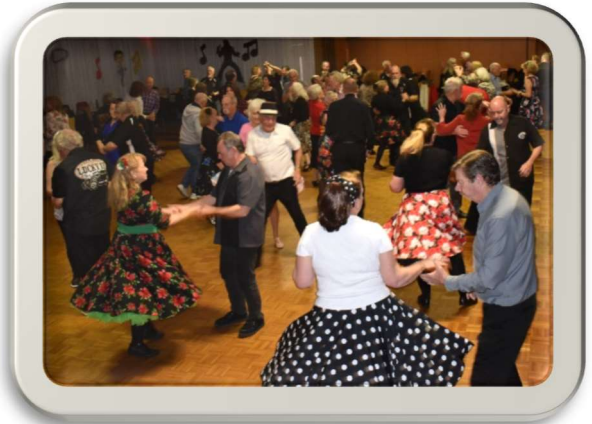

Our first big interstate band “Shake 2” was something special. So much great feedback . They just kept the dance floor full all night. Along with DJ Tony during the breaks. To hear the wonderful comments as people left at the end of the night, made the hard work all worth it.

Thank you to the committee, and everyone who helped to make things run smoothly and be the great night it was. Hopefully Ron’s vision of this night, turned out as he would have wanted it to be.

Sorry I need to remind members again, please show your 2024 membership card upon entry. I have heard a few say they don’t carry their card. Easy, take a photo of the card on your phone,(just about everyone carries their phone) and show the girls. No need to get angry, they are only doing their job.

On a lighter note, check Legends website for upcoming shows. Some are ticket shows so get in early.

Ann Sharkey  
President

## VICTOR HARBOR

Our first Legends Victor Harbor Dance nights in a while at the Town Hall proved to be successful. It was fantastic. The atmosphere was buzzing both nights. We danced to the Music of Deane on Friday night and we rocked to Midnight Shift on Saturday night.

Thank you to all who supported our dance nights. We were lucky to have had such a warm and friendly bunch of people on both nights.

We will be doing it all again next year.

## DEMONSTRATION TEAM

This year we have started demos at nursing homes and retirement villages. I would like to thank all demo team members for doing an exceptional job. We have only done a few homes this year and expect to do more in 2024.

I would like to invite anyone who would be interested to come and join our team, please contact me or Ann so you can see how the residents and the team have such a great time. I hope next year will be more full-on so we need more couples to help. We normally dance for one hour as it can get tiring and so the more the merrier. As you know Virgara is coming up very quickly and we will be doing a demo on the Sunday – please let me know if you can help it would be most appreciated.

## VARIETY BASH UPDATE

The morning was wet and miserable, the atmosphere and friendship amongst the people there that morning was amazing. Rain held off most of the morning with a drizzle here and there.

The Legends Rock n Roll Club sponsored 2023 Variety Bash Car CO2 Butterflies with drivers Janet and Faye, they were sent with lots of cheers and good wishes. Thank you, Janet and Faye, for the journey, it's been a beautiful experience with you both.

Both survived some rough dirt roads and the awesome mud tracks, played some slip n slide heading for Pinnaroo.

What an amazing journey, thank you everyone who participated in the Variety Car Bash 2023, being sponsors, support group, family, friends etc. The photos, videos made us feel we were behind the wheel and driving with you all.

VARIETY BASH 2023 has come to an end. A heartfelt THANK YOU to everyone who played a role - your passionate fundraisers, the selfless volunteers, hardworking employees, and every single person who lent a hand on this journey.

Welcome back Variety Bash cars, some of the cars will need extra TLC, thank you for sharing the photos of your adventures and videos, we were with you all the way. Your contribution means the world to the children.

## DANCE LESSONS

Saturdays 12pm – 2pm

Beginner's dance class at the Starlight Lounge Pooraka has now been going a full year.

We have had some fun learning new dance routines, being rock n roll or partner dancing. Making new friendships along the way and with many new members joining the Legends Rock n Roll Club during that time.

After the first hour we change from rock and roll to partner dancing. We have been doing all the dances they do on club nights and everyone is eager to learn more so new dances will be introduced in the future. A big thank you to Rosa and Robert for helping out. They have helped from the beginning and it is very much appreciated

Thank you to all the instructors over that period for their time and to the Starlight Lounge for their venue, it has been a wonderful year.

Looking forward to many more Saturday afternoons, see you on the dance floor.
